

Creating User Roles and Configuring Permissions in Zoho Creator

Aim

To create different user roles in Zoho Creator and configure appropriate permissions for each role to control access to the Student Management System.

Procedure

1. Open the Student Management System application in Zoho Creator.
2. Navigate to Users and Control → Roles.
3. Click Add Role to create a new user role.
4. Create the required roles, such as:
 - Administrator
 - Faculty
 - Student
5. Assign the appropriate permissions to each role.
6. Configure access to forms, reports, pages, and other application components.
7. Assign users to their respective roles.
8. Save the role and permission settings.
9. Log in or test the application with different user roles.
10. Verify that each user can access only the features permitted for their role.

Role and Permission Setup

Role	Access
Administrator	Full access to forms, reports, and application data
Faculty	Add and view student information; limited modification access
Student	View own student information and submit enrollment details

Output

The image displays two screenshots of the 'Student Management Systems' web application interface.

Top Screenshot: 'Add Role' Modal

- Header:** 'Student Management Systems' with a 'Settings' link and a folder icon labeled 'All Bookmarks'.
- Left Sidebar:** Contains navigation links for 'PERMISSIONS' (with a sub-link 'User Permissions'), 'PERSONALIZATION' (with links for 'Localization', 'Contextual Messages', and 'Record Templates'), and 'DEVELOPER TOOLS' (with links for 'Schema Builder', 'Application IDE', 'Widgets', and 'Variables').
- Modal Title:** 'Add Role' with a close button (X).
- Form Fields:**
 - Name:** A text input field containing 'Administrator'.
 - Reports to:** A dropdown menu with 'CEO' selected.
 - Description:** A text area containing 'Manages the Student Management System'.
 - Share Data with Peers:** A checkbox that is checked.
- Buttons:** 'Save' and 'Cancel' buttons at the bottom right of the modal.
- Footer:** A status bar showing 'Trial expires in 15 days', an 'Upgrade' button, and links for 'Get started faster!', 'Help', and a trash icon.

Bottom Screenshot: 'Users' Management Page

- Header:** Similar to the top screenshot, but includes a '+', a 'Settings' icon, an 'Upgrade' button, a bell icon, and a button labeled 'Access this application'.
- Left Sidebar:** Same as the top screenshot.
- Main Content Area:**
 - Title:** 'Users' with a subtitle: 'Add and manage users' permissions and roles in the application. Define the visibility of records for each user.'
 - Tabs:** 'Permissions', 'Roles' (active), and 'Data Sharing'.
 - Buttons:** 'Expand All', 'Collapse All', 'Manage Role Hierarchy', and 'Add Role'.
 - User List:** A list of users with expandable icons:
 - CEO
 - Administrator
 - Faculty
 - Student
- Footer:** Same as the top screenshot.

Help

The image shows two screenshots of the Zoho Creator interface. The top screenshot is the 'Add User' modal, and the bottom screenshot is the 'All Users' page.

Add User Modal:

- Email Address:** manishamarlappan26@gmail.com
- Name:** manishamarlappan26
- ☒ Send Notification Mail
- Add to Application:**
 - Applications as User (selected)
 - Applications as Developer
- Application Name:** Student Management S... (dropdown)
- Role:** Faculty (dropdown)
- Permission:** Faculty Permission (dropdown)
- [+ Add Application](#)
- Buttons:** Add User, Cancel

All Users Page:

- Header:** All Users (dropdown), description: A user is an individual who has been granted access to your solutions through a role-based access control mechanism. [Learn more](#), [+ Add User](#) (dropdown)
- Search:** Search bar, Filter button, Menu icon
- Table:**

☐	Name	Email Address	Status
☒	MANISHA SUPER ADMIN	manisha.m.2024.cse@rajalakshmi.edu.in	Active
☐	manishamariappan26	manishamarlappan26@gmail.com	Active

Result

Thus, different user roles and permissions were successfully created and configured in Zoho Creator to control access to the Student Management System.
